

Once upon a time in a normal Kingdom  
there lived a dwarf.

1

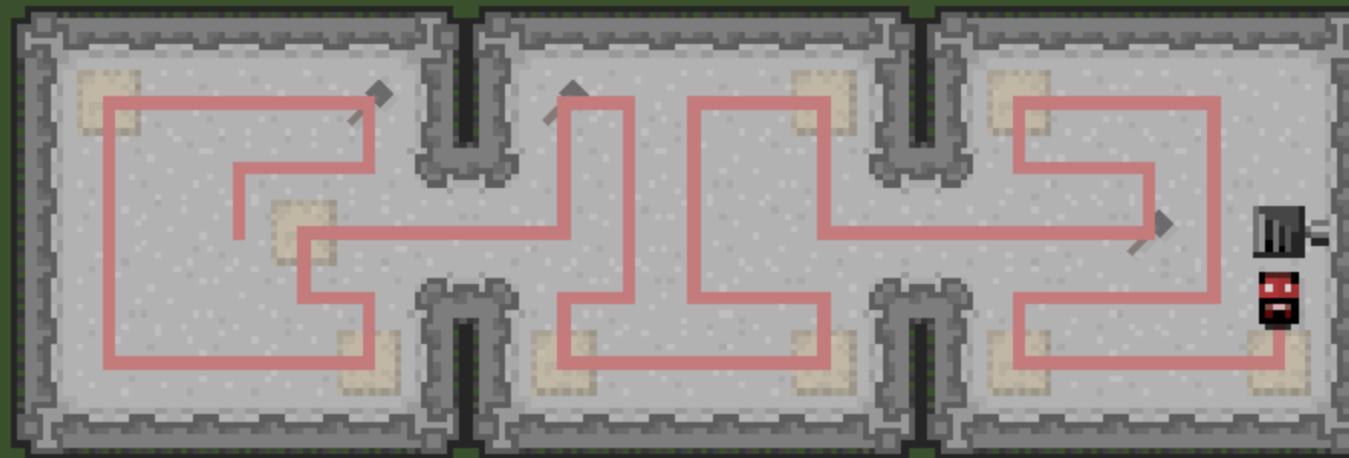

dy Dwarf is stuck in a dungeon.  
e puzzles to figure out what's going on.

He was fond of geology and puzzles,  
as well as drinking beer.

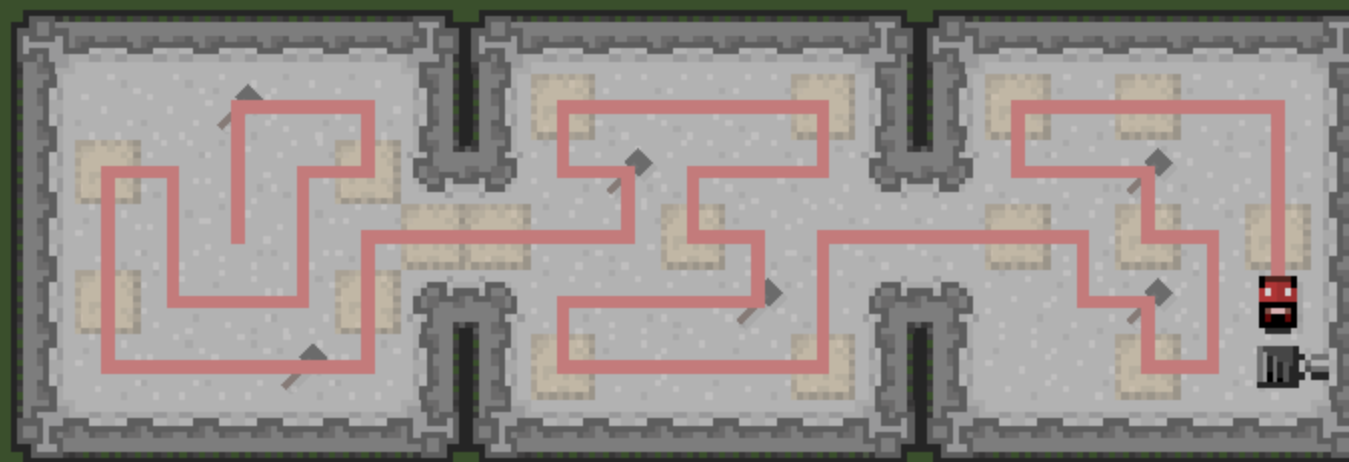

X - Undo

His neighbour the Great Mage once  
bet 10 barrels of the finest ale.

The bet was about solving the underground puzzle.

our dwarf was nerdy enough to accept the challenge.

That was the last room.

You get out the dungeon.

The sun hurts your eyes.

The fresh air irritates the nose.

You look around.

10 oak barrels stand nearby.

The Great Mage kept his promise.
